Concerning: Emergency Fund for team members of T4T

Dear board,

Lately we see more emergency requests from our team members (volunteers), not being board members, concerning lack of money for school fees, fertilizer for maize, etcetera. Therefore we decided as board, to have a policy on this to make decisions easier.

We start making a special Emergency Fund (Reserve) of 1.000 euro.

Requests can be done once a year per person with a maximum of 150 euro with the following rules:

Volunteers are living in Africa

Costs of emergency concerning:

- school fees for children.
- fertilizer for agriculture.
- health issues.
- The fund (reserve) needs enough money.

As agreed on January 13th.
